Mail with the Finals Match Report

Attention Playoff Captains!!!!

The playoffs are a time when emotions can run high. It is the responsibility of the captains to maintain an atmosphere of Good Sportsmanship, Proper Decorum, Sobriety, and Safety. Everyone in this league is an adult and is expected to act in a civilized adult manner. Any disputes that arise during the match should be resolved between the captains in private if necessary (consult the rule book when needed).

A player must have played at least 3 weeks in the regular season to be eligible for the playoffs.

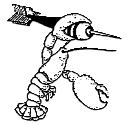

Call the SDA dartline (603-430-4195) to find out the playoff matchups. In the playoff finals, the team that finished higher in the standings has option of which team plays home first. The finals are held on two consecutive Wednesdays, one night at each team's home. It is the responsibility of the two finals captains to call each other so the location order of the playoff nights can be communicated. The finals is the first team to twelve points between the two nights. If the score is tied 11-11 at the end of the second match sheet, a three point tie breaker is to be played. The tie breaker consists of one 601 game, one cricket game, and one singles game. No player may play in more than one game in the tie breaker (so it will require six players from each team for the tie breaker). At the end of the finals, all match sheets and the shirt form for the winning team must be mailed in and call in the final results to the dartline (or email results to scott4sda@aol.com).

Championship teams can order jackets or hoodies instead of shirts for an additional cost that must be included with this form. Teams must order all jackets, all hoodies or all shirts, no splitting of orders for teams. The additional cost is \$30 per jacket, \$20 per hoodie. No jackets larger than 5XL are available at this time.

Good Luck & Good Darts,
